

Pivot2Revenue (P2R) Assessment

Have you identified ways to generate more revenue for your company in the new normal?
 What are you doing to pivot your business right now and over the long-term?
 Is your team all on the same page or are they busy working in the business not on the business?

Of the Wisconsin Manufacturers participating in the Pulse Survey in September 2020, 67% indicated their business was down compared to last year.

Pivoting is about turning toward business opportunities that your company can be uniquely positioned to address and generate revenue in the new normal.

WMEP's Pivot2Revenue (P2R) Assessment helps your company identify the factors that drive revenue.

Through this guided assessment WMEP assists your company identify sales and revenue opportunities. Our facilitated discussion with your organization's leaders evaluates your company's growth performance and risk relative to the four dimensions of revenue expansion. These evaluations are validated with your team, and upon completion of the assessment you will receive a 2-page summary report of the session findings complete with actionable recommendations.

Pivot2Revenue Assessment – benefits include:

- Focuses attention on the activities that can generate revenue fast in your organization
- Identify specific actions you can take to improve your revenue
- Low cost, high value evaluation
- Quick and easy to complete

OUR GUARANTEE
 We are so confident that your organization will find our Pivot2Revenue valuable that we guarantee it. If you aren't satisfied that participating in our Pivot2Revenue was beneficial to your organization, we will refund the cost of the assessment.

WHO WE ARE

As a private non-profit corporation, we focus fully on generating positive results for our clients.

Our team of manufacturing experts work side-by-side with hundreds of manufacturers each year, helping them develop and implement effective solutions that address their biggest challenges.

We closely monitor trends and best practices in manufacturing, and proactively develop solutions that meet the existing and emerging needs of manufacturers.

WMEP Manufacturing Solutions is part of the MEP National Network™, a public-private partnership that advances U.S. manufacturing. MEP Centers are located in all 50 states and draw on the talents of over 1,400 trusted advisors and experts.

WE HELP MANUFACTURING COMPANIES BECOME MORE PROFITABLE & VALUABLE
