WMEP guides your journey to better performance

Average Performance Improvement for TPI Participants

**\$5.8M** sales impact

**\$750k** cost savings

**28** jobs created or retained

## Our TPI bundled services let you address your most pressing pain points.

**Dairyland Electrical** aligned the organization while improving manufacturing with WMEP. Productivity increased 40%, sales increased \$2.5 million, and lead time improved 68%.

**Palmer Hamilton** invested in recruiting and retention. The 18-month effort paid off by adding 80 positions, reducing turn-over to 7%, and increasing sales by \$35 million.

**Wiscon Products** partnered with WMEP to increase sales per employee by 93%, reduce monthly break-even amounts by 30%, and decrease weekly set-up hours by 50%.

“

We just surpassed the \$15 million mark per year. There's no way we could have done that without WMEP's help. One thing that I was leery about, working with a consulting group, was them wanting to change who we are. WMEP allowed us to be who we are but polished us to become better.
