EMPOWERING WISCONSIN MANUFACTURERS

WMEP MANUFACTURING SOLUTIONS

Your Success is Our Mission

WMEP is a nonprofit consulting organization dedicated to helping WISCONSIN MANUFACTURERS succeed.

With a service focus on Growth, Operations, and People, our advisors:

- Bring real world industry experience
- Work alongside teams to implement lasting improvements
- Deliver practical solutions and measurable impact

WMEP MANUFACTURING SOLUTIONS

We Empower through Expertise and Action

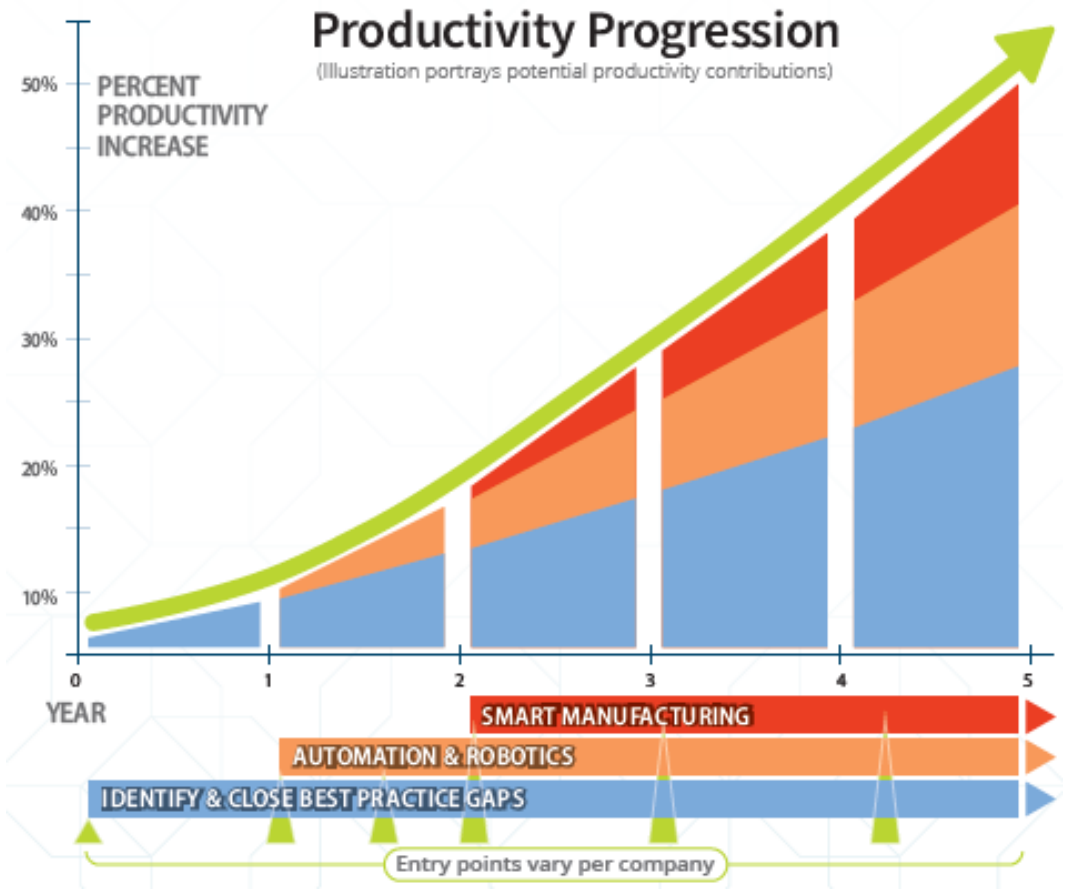
20 Years	Our experts average more than 20 years of hands-on experience across diverse manufacturing environments.
9.1/10	In every engagement, we are measured by results and client satisfaction. Our average Net Promoter Score of 9.1 out of 10 highlights our value and ROI.
100%	We are so confident in the value of our services that we offer a 100% guarantee on all assessments.

WMEP MANUFACTURING SOLUTIONS

Who We Serve

SMALL AND MID-SIZE WISCONSIN MANUFACTURERS

- All manufacturing industry segments
- Public and privately held, HQ and division locations
- Leadership is not satisfied with current business and recognizes help is needed
  - New owner - family transition or just purchased business
  - New in role
  - Do not have internal skill sets or bandwidth
  - Can't identify root cause problem(s) to solve
  - Needs a trusted advisor
  - Volatile business/market conditions and answers are not obvious



WMEP MANUFACTURING SOLUTIONS
