

LEAN SIX SIGMA YELLOW BELT TRAINING

Build problem-solving skills that deliver real results

Granville BID is sponsoring an exclusive Lean Six Sigma Yellow Belt training opportunity for up to four manufacturers in the district. This no-cost program, delivered by WMEP, equips key employees with practical problem-solving skills that improve productivity, reduce waste, and deliver measurable business results.

About the Training

This hands-on program teaches participants how to apply the Lean Six Sigma DMAIC framework (Define, Measure, Analyze, Improve, Control) to real improvement projects at their respective companies. Through guided instruction and team exercises, participants build practical problem-solving skills while delivering meaningful process and performance improvements for their operations.

Schedule

April 22 - August 5, 2026
